

# PULPIT TALK

An audio journal on developing preaching excellence

## Special Offer for Cornerstone

PulpitTalk is the audio journal produced by the Center for Preaching at Gordon-Conwell Theological Seminary. Each PulpitTalk CD focuses specifically on a preaching-related topic or theme and includes instruction, discussion, and examples. We have covered topics such as preaching from the Old Testament, how to do narrative preaching, and having clarity in your messages. Listen to your favorite preachers like Haddon Robinson, Tony Evans, Gordon MacDonald, and Stuart Briscoe. PulpitTalk is a must have for everyone who preaches sermons.

The Center for Preaching would like to extend a special offer to the Cornerstone Church Network. Each issue costs \$19.95 plus \$5 for shipping and handling. We would like to offer you Volume 5 at this price and the first four volumes for only \$5 more. A volume consists of four CDs and you may purchase as many sets as you would like. For only \$29.95 you will receive twenty CD's!
